

WOODHALL SPA 1940s FESTIVAL 2019 - IMPORTANT INFORMATION ABOUT TRAFFIC MANAGEMENT ARRANGEMENTS

9am – 6pm, Saturday 13th and Sunday 14th July 2019

Dear Resident,

As we approach this year's Woodhall Spa 1940s Festival, which will take place on Saturday 13th July and Sunday 14th July, I wanted to let you know in good time about the various traffic management measures we are putting in place over the weekend and how they might affect you.

As in previous years we will be employing a professional traffic management company to manage the traffic arrangements over the weekend. All our plans have been submitted and approved by East Lindsey District Council; these temporary restrictions, diversions and alternative parking arrangements are to ensure the safety of residents, visitors and drivers passing through the Village, as well to prevent visitors from parking on your street and causing congestion.

The various restrictions that will apply are listed below and depicted on the map. If you live on a road which will be closed to non-residents or is accessible only via a road that is closed (see the various lists below) then please also find your accompanying access passes which will gain you access at all times to your road through the manned road closure points; but please note that these passes will not allow you to park on roads which are subject to 'No waiting/No parking/No Loading' restrictions. *

Road Closures – Closed to all traffic but accessible to residents using the enclosed passes, with the exception of The Broadway and Station Road where there will be no access during the restricted hours.

As I mentioned above, these restrictions are essential to keep us all safe and reduce congestion within the Village during this very popular weekend. I do however appreciate that these arrangements will cause inconvenience to some; with that in mind I want to express my sincere thanks to you all for your valued cooperation and continuing support, which is so essential to ensuring that the Woodhall Spa 1940s Festival is such a success and continues to benefit the Village as whole in so many ways. I do hope therefore that on the weekend of 13/14 July you will be able to enjoy the various attractions and activities at this year's Festival.

Yours faithfully,
